

CITY OF BAKER, MONTANA  
COUNCIL MEETING AGENDA  
February 1, 2012  
7:00 P. M.  
FALLON COUNTY COURTROOM

BAKER FLASHBACKS:

February 16, 1965 – Mayor Ervin H. Keirle - Parking situation at the high school during basketball games was discussed. It was reported that cars were triple parked and it would have been impossible to get thru in any emergency. The question arose as to whether it is the responsibility of the city or school to keep cars parked away from the fire hydrant on the school property. Council's opinion is that it is up to the school to keep it barricaded since it is on school property.
