

Friday, July 24, 2009

Deb Ranum, Chairperson and Donald Rieger met for a special session to discuss names submitted for appointment for County Commissioner District II. Three names submitted were Russ Stoddard, Russ Newell and Wanda Pinnow. After much discussion, the Commission phoned Ken Mueller, Chairman for the Fallon County Republican Central Committee and asked for three (3) more names so they have the total number names allowable by law, or six (6).

Ken stated he would try to get the Committee together to get those names submitted. Ken stated they would try to get the names to the Commission by Monday, July 27th, but if they decide to go out for more names, it may not be until later in the week.

Spence Huether, Road Technician met to discuss getting road easements ready for Dulane and Anna Mae Wang and Dave and Cindy Wang. Spence wanted to know if the Commission was interested in having him pursue the Doc Wang easements. The Commission stated they were not interested at this time because there was no one living there.

The Commission discussed some of the messages they had.

Mike Carl, Custodian-Fallon Medical Complex stated someone shot or threw a rock through a window between Parkview I and II, on the backside. Mike feels they were in the courtyard when they did this. The incident has been reported to Debbie Wyrick, Deputy Clerk and Recorder who takes care of the County's insurance. The Commission stated we should wait to find out the costs involved before turning it into the Insurance Agent; Scotts Glass was called to come and make the repairs to the window.

Lynda Herbst, Custodian stated she hired Angela Goertz as her assistant. Angela will start August 3, 2009 and will probably work from 1:00 to 5:00 PM, Monday-Friday.

There being no further business scheduled for the day, the Commission adjourned.

Adjourned
s/Deb Ranum, Commissioner

ATTEST:
s/Brenda J. Wood, Clerk and Recorder
