

**Fallon County Fair  
Commissioners Meeting  
January 7, 2010**

Courtney Dietz, Vice-Chairman and Barb Lechler met at the Commissioner's Office to view the bids for the office and conference room.

Commissioner Rieger made a phone call to Kent Ehret to see if his bid was just for the Office and Conference room. Kent said that it was. Then Commissioner Rieger called Richard Griffith to see also if his bid just covered the office and conference room and it did.

Last night, January 6, Courtney called Mark Wright to verify that his top number of \$11,786 on the bid was for the office and conference room and it was. The bottom number of \$9844 was for the finishing the storage area only.

The Commissioner's agreed to have Mark Wright Construction do the work in the office and conference room.

The Commissioners then agreed to have Mark Wright Construction sign a contract with the stipulation stating he will be charged \$100 per date that the project is not completed.
