

## **LEPC PDM (Pre-Disaster Mitigation) Meeting**

8-16-11 Fallon Medical Complex Dining Room

In attendance- John Logsdon, Don Schillinger, Deb Ranum, Bob Hunt, Michelle Smith, Judy Mc Williams, Jessica Dinardi, Candy Mettler, Sheri Newell, Julie Jones, Lacey Janz, Traci Bruha, Shantel Sander, Leslie Henson. Tami Reetz, Jalyn Dyke, Linda Moore, Chuck Lee.

The meeting began at Noon after introduction by Chuck Lee. Julie Jones (Singletree Consulting) explained the purpose and need for updating the PDM plan. Julie distributed to each table a copy of the Draft PDM Plan. Julie went on to review the items ranked highest in the last report by both hazard and vulnerabilities. Julie solicited input from all attendees on what has changed in the past 5 years. A couple of items noted were the elimination of "Mad Cow" disease, as well as West Nile virus. These rated high in the previous plan, but times have changed.

Julie then went through the Draft to discuss Taxable values of companies, capacities of Senior & Health care facilities, daycare providers, and other pieces of what makes up a community.

After review and input from the attendees changes were made to Vulnerability ratings based on what the group thought.

Julie will schedule a Public Hearing in November. The projected day for the meeting will be 11-16-11 Chuck asked if any of the new attendees wanted to be added to the mailing list for LEPC members and one new person was added.

With all matters discussed, the meeting was adjourned.
