

FALLON COUNTY RECREATION DEPARTMENT

Dear Business,

The Fallon County Recreation Department is preparing for our 2011-2012 winter season of activities. We would like to give your business the opportunity to sponsor these activities. This winter, we have four youth programs that need t-shirts (or other items) sponsored.

The **Parade of Lights** will be held on December 7th in conjunction with other holiday events downtown. Every year, we put together and hand out goody bags for all the children along the parade route. Your business name will be included on a card inside the goody bags of holiday treats. We also hope that you can keep this Parade enjoyable to the community by entering a lighted float in the parade. Our **Youth Basketball Program** is for students K-4th grade. We hand out your sponsored t-shirts to all the participants on their last day along with a small token of achievement. The **Preschool Craft Party** is a great way for 3-5 year old children to interact with each other in a structured environment while working on craft projects that help to improve their fine motor skills. Participants will receive tote bags with sponsors names listed, along with a few art supplies to take home. The **Learn to Skate** program will be held again this year for students in K-6th grades. Participants will learn the fundamentals of ice skating and will get to take home your sponsored sweatshirt along with a small token of achievement.

At this time, you may also donate to **Christmas Wishes**. Families with tight budgets, are invited to submit their children's clothing sizes and a Christmas Wish that can be fulfilled through this program. We work with Gamma Beta to help these families in need. This program is funded by local organizations, businesses and private individuals. Donations of any amount are appreciated.

As always, you can also sponsor the **After School Program**. This program is offered throughout the school year as a low-cost alternative for after school care. Children check-in after school and receive a nutritious snack, complete a craft project, participate in physical activities and have an opportunity to work on homework, play games and socialize in a safe and structured environment. Your donation will be used to purchase games, books, and craft supplies for children's use.

Your donations are always tax deductible and we can supply you with a receipt upon request. Thank you for your time and please feel free to call me if you have any questions. If you would like to be removed from our mailing list, please indicate on the sponsorship form or contact our office. Remember, our sponsorship forms are also available at www.falloncounty.net.

Sincerely,

Angie M. Rabbitt
