Sharon informed everyone on the upcoming livestock judgings. She said Ag Days in Sidney had been cancelled, and Jan. 31st was the judging in Rapid City. For registration and all other information call the extension office, and all information could be found in the newsletter.

Sharon also let everyone know that Fergus County (Lewistown) had sent letters looking for donations for the state 4-H horse show. They also sent forms so that kids could submit a drawing for the horse show book cover.
