## **Baker Lake Drainage Improvement Project Reinforced Concrete Box Culverts**

### **Type of Work:**

Fallon County and the City of Baker have contracted with Diamond J Construction, LLC., via the public bid process, to install reinforced concrete box culverts over the Baker Lake Tributary on 1<sup>st</sup> Street W, 3<sup>rd</sup> Street W, 4<sup>th</sup> Street W, and 5<sup>th</sup> Street W. Construction activities will include street closure, excavation, installation of box culverts, pavement, curb & gutter, and sidewalk.

### **Who is Authorizing Work:**

Fallon County Commission and the City of Baker.

### **Dates of Work:**

Expected from August 1<sup>st</sup> to October 14<sup>th</sup>, 2017.

### **Construction Hours:**

Crews will be working between the hours of 7:00 a.m. and 7:00 p.m., Monday through Saturday.

### **Construction Impacts:**

- **Traffic Impact:**  
Tentatively, 3<sup>rd</sup> Street W from US HWY 12 to Park Drive will be closed for construction 8/1/17 thru 8/21/17 and 5<sup>th</sup> Street W from US HWY 12 to Ernestine Ave will be closed for construction 8/9/17 thru 9/11/17. Due to the nature of the construction, no traffic shall be allowed through these areas. Please obey all temporary traffic signs and work activities, which will change due to the nature of a construction project. Parking in the construction zone is prohibited. The County and City ask that you refrain from entering the construction site even though it may seem as all equipment is stationary.
- **Other Impact:**  
Pumps are planned to be electric to reduce all noise during dewatering and the Contractor will diligently work to minimize impacts during construction, some temporary inconveniences may occur during working hours as the work progresses such as noise and vibrations. Please find an alternate route while construction is in progress to avoid timely delays.

If you have any questions, comments or require special needs regarding this notice or project in general, feel free to contact us by calling the numbers below.
