RULES & REGULATIONS

1. The Contractor will make arrangements with the landfill manager for incoming wastes.
2. The Contractor will be responsible for any litter from their incoming or outgoing loads. All loads are required to be covered in transit and at the landfill. All uncovered or unsecured loads will be charged double the current tipping fee for the uncovered/unsecured load.
3. Only Class II Solid Waste will be allowed into the landfill. Disposal of asbestos, contaminated soil, etc. must be arranged prior to arrival at the site. Any hazardous or unacceptable waste will be returned to the transporter and/or the community of origin at their expense.
4. The Contractor agrees to annually submit a Certificate of Insurance with limits of liability equal to or greater than \$300,000 before a permit can be issued. The Contractor's insurance must cover any liability for collision or damage to livestock and the Contractor is fully responsible for any incident involving livestock. Note that the Coral Creek Road is open range territory.
5. All drums will have the tops and bottoms removed and will be crushed.
6. Pesticide containers will be triple rinsed, holes will be cut in the bottom, and the caps will be removed before disposal.
7. Billing will be on a monthly basis. Payment in full is due within 30 days. A \$5.00 late fee will be applied to any unpaid balance after 30 days.

I, the undersigned applicant, have read and understand the rules and regulations of the Coral Creek Landfill. I understand that a violation of such can result in the termination of the permit, and the right of the landfill to refuse service.
